August 14, 2015

Dear Partner Organization,

Indiana's Family and Social Services Administration (FSSA) still needs your help to ensure consumers' voices are heard!

Most importantly, we want to thank you for your assistance in sharing the link to the online survey. As you may already know, the survey has been live for the last few weeks and we are getting great feedback! Although there is still time to complete the survey, we want to ensure we receive input on the No Wrong Door planning process from as many Hoosiers as possible. In order to do so, the **survey will close at 11:59pm on August 21, 2015.**

As before, we ask you to share this communication with your constituents in as many ways as possible: email, your website, social media, etc. A short explanation regarding the closing of the survey is included below. Please feel free to modify this announcement to meet your constituents' needs.

ENDING SOON! Help Improve Long Term Services and Supports in Indiana

Indiana's Family and Social Services Administration (FSSA) is working to create an integrated "No Wrong Door" system that will help all Hoosiers make informed choices about their long term service and support needs. To make that happen, **they need to hear from you by August 21, 2015!** Results will be used to help plan a better and more connected system for all of Indiana. We encourage you to complete the survey and share your experiences **by August 21, 2015** to ensure your voice is heard:

Thank you in advance for your assistance with this important project. Please contact NoWrongDoor@fssa.in.gov with any questions.

Sincerely,
Yonda Snyder
Director, Division of Aging
