Date: November 25, 2015

Starting in December, the Division of Disability and Rehabilitative Services (DDRS) will be hosting a series of webinars for providers, families and individuals to discuss changes to the Community Integration and Habilitation (CIH) waiver.

The webinars will take place across several days and at different times to accommodate as many people as possible. The discussion will also be broken down into provider specific and family and waiver participant specific webinars.
