Re: Service definition matrix available
Date: November 10, 2015

The Division of Disability and Rehabilitative Services (DDRS) has posted a service definition matrix to the [CIH Transform webpage](#) to gather initial feedback on changes to the current service definitions within the Community Integration and Habilitation (CIH) waiver.

As DDRS has not yet submitted a waiver amendment to the [Centers for Medicare & Medicaid Services \(CMS\)](#), we would like to offer providers, stakeholders, families and participants the opportunity to review any potential changes prior to the official public comment period that will take place in December 2015. Please submit questions or comments to CIHW@fssa.in.gov. An announcement regarding the public comment period will be issued in a few weeks.
