

## INTERNET USAGE AGREEMENT

I (we) agree to allow XXX use of Internet Service for laptop access at the following Supported Living home address:

---

Half of the **Internet Service** and **Internet Service Fees** at this location will be paid by or reimbursed by XXX. The remaining half will be divided among and paid by consumers residing at this address who normally use and pay for this service. Internet Service and/or Services fees may be lumped with other services (cable tv and/or phone) on one invoice, and in that case only half the internet portion will be paid by/or reimbursed by XXX.

I also agree to notify XXX if changes are made to the Internet Service at this above location.
