- **Public Policy Activities**
 - Non-Residential Settings Survey
 - Reviewed surveys from other states
 - Met with Cathy Robinson to discuss feedback on draft survey
 - Survey will be distributed in mid-September
 - Providers will have 30 days to complete it

- **Public Policy Activities**

- **Wellness Definition**

- Sent Feedback and suggested revisions June 26th
 - Received Updated draft 8/10/16
 - Provided comments on 8/15/16 on the most recent draft
 - We believe current draft clarifies and allows nurses to determine alternate training methods (such as train the trainer methodology) as long as the nurse documents that alternate training methods (an alternate to the nurse directly providing all training) are appropriate for the training.

- **Public Policy Activities**

- **IAC 460 Changes**

- BQIS has a State staff only group working on “corrections” to IAC 460 with a stated goal to complete their draft of corrections by the end of the calendar year.
 - The State draft HCBS transition plan list two code (IC) changes and approximately 40 changes to IAC. Most related to the term “integrated setting”; client rights; definition of transportation supports; ISP and PCP.
 - Kylee offered the opportunity for INARF to suggest changes to 460 directly to her. Jim Van Dyke is working with a group of INARF members with knowledge in financial mgt, employment, wellness, case management, HCBS services, and behavior supports.

- **Public Policy Activities**

- **Waiver Redesign**

- What do waiver services supports looks like if you ask the question; What do you need to get you where you want to go?
 - Younger Kids living at home with their family; adolescents living at home with families; adolescents unable to live with their family; individuals employed part time in the community; individuals employed part time in the community; individuals unable or choosing not to work
