### HCBS Rule Deadline Extended

- July 14 – Due to COVID-19, CMS [extended](#) the deadline for ensuring compliance with the HCBS Rule to March 17, 2023.
- INARF successfully urged FSSA to extend their deadlines for compliance to align with CMS' deadline.
  - July 20 – Cathy Robinson confirmed DDRS' intent to extend the timeline.

## Republican Coronavirus Aid Bill Draft

- \$25 billion for Provider Relief Fund; \$7.6 billion for Community Health Centers
- Streamlined PPP loan forgiveness for under \$150k and an intermediate forgiveness process for under \$1 million
- No additional money for state and local governments
- States must maintain their budgeted spending levels (cannot use the federal dollars to replace state spending)
- The date for using CARES Act funding is extended from 12/30/2020 to 90 days after the end of the fiscal year
- Liability Reform
  - Exclusive federal cause of action that applies to litigation against any business, non-profit, etc. arising from COVID.
  - To prevail, plaintiffs must show that the defendant was grossly negligent or engaged in willful misconduct and violated relevant state/local public health guidelines in place at the time the incident occurred. Additionally, there is a cap on damage awards.

## **DDRS state-only funded services and program changes**

- May 21 – State Budget Agency announced that each state agency was asked to immediately implement a 15% budget reduction
- July 13
  - DDRS announced the following reductions:
    - Reduced contracts
    - Eliminated state-only funded Caregiver supports as of July 1, 2020  
Annual impact: approximately 60 individuals
    - Eliminated state-only funded Community based sheltered work and facility based sheltered work as of August 14, 2020  
Annual impact: approximately 260 individuals and 16 providers
  - INARF convened a meeting of our impacted members
- July 21 – INARF collaborated with The Arc of Indiana to schedule a discussion with DDRS and providers impacted by the service cuts

- July 21 - INARF convened a meeting with DDRS and two INARF members to give members the opportunity to share the complexity of operating in the COVID environment, to discuss some of the situations providers are facing and the challenges inherent with keeping individuals and staff safe
- INARF drafted guidance recommendations regarding activities outside the home, travel, and family visits for DDRS to consider including in future updates to their guidance documents

## COVID Testing

- INARF informed DDRS of challenges providers are facing related to delays obtaining COVID test results
- DDRS discussed these issues with ISDH – they recommended that provider staff go to either an [ISDH Drive-Thru Testing Site](#) or an [Optum Site](#) for testing
- ISDH Drive-Thru sites have the better turnaround time on average, but are more limited in the number of locations
- Optum Sites have a reasonable average turnaround time (averaging about 50 hours) but that may vary based on the site and/or the lab they are utilizing.
- **Staff using these resources should indicate that they work in a congregate residential setting when obtaining their test**

## **Current COVID-19 Incidence Data (Individuals and Staff)**
