The Gregory S. Fehribach Center

Mission - To empower Indiana college students with physical disabilities to find gainful, sustainable, and equitable employment by engaging qualified students into comprehensive and diverse internship opportunities that build skills, confidence, and work history to maximize competitiveness in the workforce.

- Partnership between Ball State & Eskenazi Health that began in 2009
- “We need to build a bench”
- Ball State’s history of access & inclusion
- Only BSU students through 2016
- 100 students have completed 179 internships, representing 29 colleges
 - Summer, 2019 - 41 students from 19 colleges
 - Summer, 2020 – 48 students from 25 colleges
