To: Waiver participants, families and stakeholders
From: Nicole Norvell, Director, Division of Disability and Rehabilitative Services
Re: Survey from the CIH Transform Town Hall Meetings
Date: September 25, 2015

The Division of Disability of Rehabilitative Services (DDRS) would like to take this opportunity to thank the many family members, participants and providers who attended the town hall meetings the last couple of weeks. Your feedback is extremely important as we plan for the future of the waiver program.

To continue the conversation about CIH Transform and gather additional thoughts and feedback, we have posted a couple of additional documents on the [CIH Transform](#) webpage.

- Questions asked at the town hall meetings are now available as an online survey. Both the provider and family/participant surveys will be open until Friday, October 9, 2015. The survey may be accessed [here](#) or on the [CIH Transform](#) webpage.
- State policy schedule – this schedule outlines the process the state will use when discussing general topics and policies. This timeline should assist you when making comments to the state on policies or knowing what topics the state is discussing. The policy schedule is available on the [CIH Transform](#) webpage.

Over the next several weeks, DDRS will continue to post new documents to the [CIH Transform](#) webpage. We encourage you to provide input, feedback and ideas about the CIH Transform project by emailing your questions or comments to CIHW@fssa.in.gov.
